

FORT WAYNE FEVER – SUPER Y LEAGUE 2010

INFORMATIONAL LETTER

Please carefully read this letter from the Fort Wayne Fever Academy regarding an opportunity to play SYL this upcoming 2010 season. The Fever Academy is entering its 4th season of SYL competition and we're seeking players who would make a great addition to our team. The Fever Academy has sent 3 teams to the SYL National Finals each of the past 2 seasons and this year our goal is to send all 7 teams to the finals. Are you interested in being a key component to making this a reality?

What is Super Y League (SYL)?

SYL is a league sanctioned by US Soccer held during the month of July. This league does not conflict with USYSA soccer, but offers high level competition that will provide you an opportunity to continue your individual development as a soccer player regardless which club you currently play with.

When do we train and play?

We train once a week during the month of July and play 8-10 games during this time period with most games on the weekends. Fort Wayne will be the host site for 2 of these weekends. In addition, we will most likely have a 1-2 day trip to Cleveland and a 1-2 day trip to Lowell, IN.

What is the cost?

The cost varies depending on the payment option you choose. For less than the cost of a 3-4 day soccer camp you will receive a full month of soccer training and league play that will most definitely benefit your development as a player. The cost ranges from \$370 - \$475 depending on the payment option you choose.

Where can I find more information?
