

Fort Wayne Fever Academy

Scrip Program

- ❖ When is scrip available?
 - Spring Outdoor (mid April – end of May) and Fall Outdoor (mid August – end of October):
 - Wednesday's from 5:30 – 6:30 at the Plex North.
 - Winter Indoor (November thru end of March):
 - Wednesday's from 5:00 – 5:30 at the Plex South and 6:00 – 6:30 at the Plex North
- ❖ How much of the scrip credit is applied towards the player account?
 - All 100% of the scrip credit earned is applied towards the player account.
- ❖ How does it get credited to my account?
 - Each week the scrip coordinator will collect all the scrip orders and calculate the amount of credit to be applied towards each player account. The scrip coordinator will then provide the treasurer with all scrip orders and the amount to credit each account.
- ❖ Is scrip cash-n-carry?
 - We keep several types of scrip available for cash-n-carry such as Kroger, Meijer, Speedway, McDonald's, and other commonly used scrip cards. In addition, we have several other types of scrip which you can order and pick up the following week.
 - You can download the scrip forms from the Fever Academy website.
- ❖ How do I know the credit is applied towards my account?
 - Each month you will receive a player statement. The statement will show any scrip credits that were to be applied to the account. Please note scrip credits are applied as soon as received by the treasurer but commonly run 1-2 weeks behind due to the scrip coordinator making the necessary deposits, calculating the credits, and providing the treasurer with the amounts to credit each account.
- ❖ What if I have a zero balance; can I still use scrip?
 - You can turn in receipts for any soccer related expense and the treasurer will provide you a refund check up to the amount of the credit balance in the account.
 - If the credit balance is larger than the receipt for the soccer related expense you will receive a refund check for the full amount of the soccer related expense. If the credit balance is smaller than the receipt for the soccer related expense you will receive a refund up to the amount of scrip credit built up in your account.
- ❖ Can I purchase scrip on other days besides Wednesday's?
 - Yes. If you're unable to make it to the Plex on a given Wednesday to order scrip you may email your order to the scrip coordinator, Jim Allgeier, jallgeier@federatedmedia.com and he will be happy to make other arrangements with you.
- ❖ Please feel free to contact Jim Allgeier, jallgeier@federatedmedia.com, for all scrip related questions. He will be happy to assist you in any way possible.
- ❖ If you have any discrepancies between what you show as the amount of scrip credit that should be credited to the player account and the actual credit that has been applied please feel free to contact Scott Hunter, scott@fwfever.com and he will be happy to assist you.
- ❖ You can save several hundred dollars per year using our scrip program. We hope you will take full advantage of this great program.
